**Re: Notice of Intent to be covered under the March 1, 2014 CAG280000 Permit –
Beta OCS Platforms**

Dear Mr. Bromley:

The Beta Platforms, consisting of Platforms Elly and Ellen in Lease Block 3337 (Lease No. P-0300) and Platform Eureka in Lease Block 3336 (Lease No. P-0301), are operated by Beta Operating Company, LLC (dba Beta Offshore).

This letter is the Notice of Intent for the Beta Platforms to operate under the new General Permit CAG280000, effective March 1, 2014.

We will assume that this notice will suffice to continue operating under the General Permit. If this is not correct, please let me know. If you have any questions regarding this NOI, you may contact me at (562) 683-3497.

Sincerely,

Marina Robertson
